200 Block West Main Street Closure

.....for immediate release.....

Weather permitting, the 200 block of West Main Street (between LaSalle and Clinton Streets) will be closed to all traffic and on-street parking beginning at 10:00 a.m., Friday, December 8. Contractors will close that block to pour the remainder of the foundation for the new building to be constructed at 205-207 West Main Street. City Engineer Tom Duttlinger advises the pour is expected to be completed that day and the block reopened to all traffic by 2:00 p.m.
