PRESS RELEASE

West Prospect Avenue Curb Replacement

Contractors for the City of Ottawa are scheduled to begin curb replacement for the two blocks of West Prospect Avenue beginning the week of June 10. The work is expected to take up to 3 weeks. Residents should be aware that during the construction there will be periods when they will not have access to their driveways and on-street parking will be limited. They are to be notified by the contractor in advance when access will not be possible.

The final restoration of the berm areas and street surface will follow once the curb work is completed.

301 West Madison Street, Ottawa, Illinois 61350
