Chief Andy Borkowski requested that the Fire Department be given copies of the results of medical and psychological examinations of firefighter applicants for its files. It was noted that the Rules and Regulations of the Board state that reports of such examinations "shall be kept by the Board." See Rules and

Regulations, Chapter III, Section 10. In response to this request, it was decided that the Board would first consult with Attorney John Brohier of the Illinois Fire and Police Commissioners Association about the proper procedure for keeping and sharing these reports under the Board's rules.
