Chief Roalson provided the Board with information that Joliet Junior College is qualified to perform power testing through the Illinois State Training Board, with all instructors on staff being certified through the cooper's institute for police officers. The cost is \$45 per candidate, with flexible scheduling.

The Board discussed requiring police entry level candidates to provide a power card from Joliet Junior College with an application, which would eliminate the need for the Board to administer the power test prior to entry level testing.

Moved by Cliff Espevik, second by Ken Brown to amend the Board of Fire and Police Commissioner Rules and Regulations as follows:

Kim contacted IVCC to explore the possibility of IVCC developing and administering a police officer entry level exam. IVCC is not able to accomplish this at this time.

The Illinois Fire & Police Commissioners Association is conducting a seminar April 30, 2016. Dave and Ken may want to attend.

Moved by Ken Brown, second by Cliff Espevik to adjourn the meeting at 12:40 p.m.
