OTTAWA HISTORIC PRESERVATION COMMISSION (OHPC)

June 12, 2014 Minutes

Present: Farley Andrews, George Cary, Mike Godfrey, Patty Godfrey, Mollie Perrot, Tami Huftel.

Vice-Chairman Mike Godfrey called the meeting to order.

Discussion regarding the Westside Historic District Survey. The commission discussed the plan. The report stated this area is not an ideal candidate for a local or national registered district. The OHPC had concern with this and asked that Lara with Granacki Consultants reconsider and/or explain this. Tami would contact Lara to see if she could meet with the OHPC at 4:30 pm. On Monday, June 16th.

Tami noted the public meeting has been scheduled on June 16, 2014 to present the study.

At a future meeting all commission members should bring their top 5 to 10 "endangered list of properties/structures" based on the criteria outlined by Landmark.

Respectfully submitted,

Tami Huftel
